The City of Charles Town, Charles Town Utility Board and the City of Ranson are pleased to announce that as of 12:00 P.M. on June 28, 2018 the acquisition of the City of Ranson sewer system by the City of Charles Town is official. This cooperative effort has been undertaken to provide more efficient and consolidated sewer service in the region for Ranson and Charles Town sewer customers. City of Ranson sewer customers will continue to receive a sewer bill from the Charles Town Utility Board if you are a Charles Town Utilities water customer. Those customers that receive water service from Jefferson Utilities will continue to receive a bill from Jefferson Utilities. Billing will remain consistent with existing rate structures pursuant a revised Tariff combining both the City of Ranson and Charles Town Utility Board Sewer rates. A copy of the sewer rate structure can be found at the Charles Town Utility Board website: www.ctubwv.com. In the event of sewer questions effective July 1, 2018, ratepayers may utilize the following:
